Description

This fantastic, bright and quiet attic flat in Vienna's 1st district offers 85 m² of living space (incl. 20 m² of gallery) with a fantastic view over St. Stephen's Cathedral. A 21 m² terrace is also included. The entire flat is partly furnished, includes custom-made carpentry, a complete kitchen, a bathroom with bathtub, a separate toilet, a living room, 2 bedrooms, a gallery with library, a fireplace as well as parquet and Solnhofer floors. A lift in the house and a cellar compartment for additional storage space complete the offer. The flat is located directly in the centre of Vienna and therefore also excellently connected to public transport (U1/U3 Stephansplatz, U3 Stubentor, bus line 3A and 74A and tram line 2 within a few minutes walking distance).
