Description

This wonderful detached house with a fantastic view over Lake Traunsee offers everything your heart desires on 50 m² of living space: a cosy eat-in kitchen, a living room, a bedroom and a bathroom. In addition, there is a cellar of approx. 10 m² and a 15 m² terrace offering extra space. Outside there is a wood storage hut and an extra utility storage room. A generous plot of land of approx. 800 m² completes the feel-good ambience. The house can be reached via a 10-minute walk - access by car is not possible due to the location. Parking spaces as well as a material cableway, which can be used together with the other authorised persons, are available at the foot of the mountain.
